WARRANTY

10-Year Panel, 1-Year Door Parts, 2-Year Compressor & Parts, 1-Year Labor on Refrigeration Unit

SPECIAL FEATURES

- ✓ Dual Temperature Control**
 Separate cooler (17 ft) and freezer (3 ft) sections make this industrial walk in freezer cooler combo ideal for precise temperature control, utilizing R-448A refrigerant and a top-mounted self-contained refrigeration unit.
- ✓ Indoor/Outdoor Versatility**
 Durable and weather-resistant construction enable flexible placement options for diverse business applications.
- ✓ Easy Installation Setup**
 Pre-installed condensing unit and evaporator with 208/230V hardwired configuration simplifies installation process.
- ✓ Reliable Sealing System**
 Tongue & groove hinges combined with cam-lock panels provide airtight sealing and structural stability.
- ✓ Protected Warranty Coverage**
 Includes 10 years on panels, 1 year on door parts, 2 years on compressor & parts, and 1 year labor coverage on the refrigeration unit.
- ✓ Efficient Insulation**
 4-inch polyurethane panels provide R-28 thermal resistance for cooler and R-33 for freezer sections, maximizing energy efficiency.
- ✓ Secure Content Protection**
 Self-closing doors with keyed locks and flush-mounting provide content security and maintain consistent internal temperatures.
- ✓ Safety Certified**
 UL and NSF listed certification allows compliance with industry safety and sanitation standards.
- ✓ Eco-Friendly Materials**
 CFC & HFC free components minimize environmental impact.

PRODUCT OVERVIEW

The PolarBox Series Walk In Cooler and Freezer Combo is a versatile commercial unit designed for businesses needing reliable indoor/outdoor cold storage. Manufactured in America from 24-gauge white galvanized steel, this industrial walk in freezer features 4-inch polyurethane insulation with thermal resistance of R-28 for the cooler section and R-33 for the freezer section.

This residential walk in freezer has a 17 ft cooler section and a 3 ft freezer section, each with two solid swing doors (77 in high). The freezer doors include a heating wire and pressure relief vent. Self-closing, flush-mounted doors with keyed locks, modular cam-lock, and tongue & groove hinges provide secure, airtight operation.

The unit is powered by a top-mounted self-contained compressor using R-448A refrigerant and operates on a 208/230 V, 1-phase, 60 Hz hardwired connection. It measures 20 ft (L) × 10 ft (W) × 7 ft (H) with a depth of 236 in and a width of 118 in, supporting indoor and outdoor placement.

Reliable Warranty for Your Residential Walk In Freezer Cooler Combo
Durable flooring is included, and the unit is constructed with CFC- and HFC-free materials for eco-friendly operation. Certified UL Listed (US), NSF Listed, and DOE compliant, this walk in freezer cooler combo comes with a comprehensive warranty: 10-Year Panel, 1-Year Door Parts, 2-Year Compressor & Parts, and 1-Year Labor on the Refrigeration Unit.
