- ✓ **Medium Cooking Surface**
15" x 11" cooking area accommodates multiple items in medium-scale commercial kitchens.

✓ **Durable Construction**
Stainless steel and ceramic-coated cast iron plates offer long-lasting performance in commercial kitchens.

✓ **Warranty Included**
Includes a 1-year warranty by the manufacturer covering parts and labor.

PRODUCT OVERVIEW

The PrepMaster Series Commercial Electric Panini Grill features ribbed upper and lower plates designed for grilling paninis, sandwiches, wraps, and toasted bread in commercial food service environments. It offers a 15" x 11" cooking surface with dual heating elements and self-balancing upper plates for even heat distribution. The grill operates on 120 V, 15 A, 1,800 W, with an adjustable thermostat reaching up to 572°F for precise temperature control.

Constructed from stainless steel and ceramic-coated cast iron, the grill provides durability and reliable heat retention. Its dimensions are 17.7" (L) x 16.1" (W) x 9.3" (H), and it weighs 50 lb, offering a stable base for daily commercial kitchen use.

The grill includes a front-mounted grease drawer for easy cleaning and maintenance. Variable control allows adjustment according to cooking needs, and the plug type is NEMA 5-20P.

Certified by cULus and NSF, the PrepMaster Series PMEPG120R includes a 1-year warranty by the manufacturer covering parts and labor for commercial kitchens and food service operations.
