- Bright Interior**
 LED lighting ensures clear visibility of stored products.
- Built for Mobility**
 Four 5-inch locking swivel casters provide stability and easy movement.
- Durable Construction**
 Stainless steel exterior and silver finish support long-lasting use.
- Certified Safe**
 ETL Listed and ETL Sanitation certified for commercial compliance.
- Warranty Coverage**
 Includes 6-month parts & labor warranty and 6-month compressor warranty.

PRODUCT OVERVIEW

The CoolEdge Series CERF55 Reach-In Freezer is designed for reliable frozen storage in commercial kitchens, restaurants, and catering operations. Made with a stainless steel exterior finished in silver, this freestanding unit combines durability with professional style.

With a 42 cubic feet capacity and two solid swing, self-closing doors, it provides dependable storage for frozen ingredients and prepared items. Inside, eight adjustable shelves offer flexible organization, illuminated by LED lighting for easy visibility.

Performance is powered by a bottom-mounted 1 HP compressor using R290 refrigerant, ensuring efficient freezing. The digital control panel with LED display maintains a precise temperature range of 0°F to -8°F, while the auto-defrost system keeps operation smooth and low-maintenance. Measuring 55.125 in (W) × 32.62 in (D) × 80.37 in (H), it includes four 5-inch locking swivel casters for mobility and stability.

This commercial reach-in freezer comes equipped with a 9 ft power cord and NEMA 5-20P plug for convenient installation. It runs on 115V, 14A, 1250W, 60Hz and performs reliably in ambient temperatures up to 100.4°F. With ETL Listed and ETL Sanitation certifications, plus a 6-month parts & labor warranty and 6-month compressor warranty, the CoolEdge CERF55 is a safe and dependable solution for professional foodservice environments.
