WARRANTY

2 Years Parts and Labor Warranty

SPECIAL FEATURES

- **Fits Under Worktop**
  The 60.25" W x 30.5" D x 41.5" H footprint adds frozen storage below a work surface in a commercial kitchen.
- **Easy to Move**
  Four 4-inch casters allow the unit to be repositioned or rolled aside for cleaning in a busy kitchen.
- **Sanitation Listed**
  cETLus and ETL Sanitation listings support food handling requirements in commercial kitchens.
- **Holds Frozen Stock**
  A 16.3 cubic foot interior gives restaurant staff room to store frozen ingredients between prep tasks.
- **Hands-Free Loading**
  Self-closing doors with greater than 90 degree stay-open help staff load and unload with full hands.
- **Warranty Coverage**
  It includes a 2-year warranty by the manufacturer for parts and labor.

PRODUCT OVERVIEW

The Medal Equipment 60" worktop freezer is a stainless steel unit built for commercial kitchens that need frozen storage below a usable prep surface. With two solid doors and a 16.3 cubic foot capacity, it suits restaurant lines, prep stations, and back-of-house areas where space is tight.

The cabinet measures 60.25" W x 30.5" D x 41.5" H and sits on four 4-inch casters, so staff can move it for cleaning or reposition it during service. The stainless steel exterior and 201 stainless steel interior support daily food handling, while two plastic coated steel shelves help organize frozen items.

A digital temperature control holds the interior between -10°F and 10°F, and auto-defrost reduces manual defrost work. The self-closing doors with a greater than 90 degree stay-open feature help with loading, and magnetic door gaskets support a tight seal. The unit runs on 115V, 60Hz, single phase power with a NEMA 5-15P plug and uses R290 refrigerant.

The worktop freezer has a product weight of 196 pounds and a shipping weight of 309 pounds. It is cETLus Listed and ETL Sanitation Listed. It includes a 2-year warranty by the manufacturer.
