WARRANTY

1 Year Limited Warranty

SPECIAL FEATURES

- **Fixed-Speed Design**
  The fixed-speed compressor type supports steady operation as specified for commercial refrigeration equipment in restaurants and foodservice areas.
- **Standard Voltage**
  The 115 V electrical rating aligns with commonly used power configurations in commercial kitchens.
- **Model Compatibility**
  Designed to fit 27" refrigerator models, supporting correct integration with listed equipment formats.
- **Rated Horsepower**
  The 1/5 HP specification matches the cooling requirements listed for reach-in and undercounter refrigeration units.
- **R290 Refrigerant**
  The refrigerant type R290 is specified for systems designed around hydrocarbon-based cooling.
- **Warranty Coverage**
  It includes a 1-year warranty by the manufacturer, supporting structured service planning in commercial kitchens.

PRODUCT OVERVIEW

The Medal Equipment fixed-speed compressor is designed for commercial kitchen refrigeration servicing reach-in refrigerators, undercounter refrigerators, prep tables, and bottle coolers. It supports consistent operation in food handling environments requiring stable cooling performance.

This compressor operates with 1/5 HP output, paired with a 115 V electrical requirement and 60 Hz frequency. These specifications align with standard electrical setups commonly used in restaurant refrigeration equipment.

Using R290 refrigerant, this compressor aligns with systems specified for hydrocarbon refrigerants. It is intended for compatibility with 27" refrigerator models as listed in the specifications.

The unit is supplied as a compressor type component and includes a 1-year warranty by the manufacturer, supporting planned maintenance schedules in commercial kitchen operations.
