SPECIAL FEATURES

- ✓ Mega Top Storage**
 Top accommodates twelve 1/6 size pans, suitable for preparing and organizing ingredients.
- ✓ Solid Door Access**
 Swing-style self-closing door allows access to interior storage while keeping items contained.
- ✓ Auto Defrost System**
 Built-in auto defrost reduces the need for manual clearing of ice buildup.
- ✓ Ambient Temperature Use**
 Operates in areas up to 100.4°F, suitable for typical commercial kitchen environments.
- ✓ Certified Safety**
 ETL Listed and ETL Sanitation Listed, ensuring the unit meets commercial safety and sanitation requirements.
- ✓ Adjustable Shelf**
 Includes one coated wire shelf, allowing additional storage of ingredients or kitchen supplies.
- ✓ Cooling System**
 Bottom-mounted 1/5 HP compressor with 280 W power and R290 refrigerant maintains temperatures between 33°F and 41°F for refrigerated storage.
- ✓ Digital Controls**
 LED display with digital control type allows clear setting and monitoring of temperatures.
- ✓ Caster Mobility**
 Four swivel casters with locks allow the unit to be moved and secured in place.
- ✓ Warranty Coverage**
 Backed by 6-month parts and labor warranty plus 6-month compressor warranty.

PRODUCT OVERVIEW

The CoolEdge Series CESMT29 commercial sandwich and salad prep table is a freestanding unit with a stainless steel exterior and recessed handle. Measuring 29.12 in (W) x 31.5 in (D) x 45.75 in (H), it holds twelve 1/6 size pans on the mega top and includes one adjustable coated wire shelf inside. The design features a solid swing-style self-closing door for product access.

A bottom-mounted 1/5 HP compressor with 280 W power uses R290 refrigerant to maintain a temperature range of 33°F to 41°F. The unit operates on 115 V, 60 Hz, single-phase power at 2.4 A through a NEMA 5-15P plug with a 9 ft power cord. Auto defrost is included to reduce manual upkeep, and the maximum ambient operating temperature is 100.4°F.

The prep table includes digital controls with an LED display for temperature management. The solid door design supports secure storage, while the mega top provides preparation space with direct pan access.

For mobility, the unit is equipped with four swivel casters, including locking casters for stability. Certified ETL Listed and ETL Sanitation, it complies with safety and sanitation standards. Warranty coverage includes 6 months parts and labor and 6 months compressor protection.
