SPECIAL FEATURES

- Curved Display Form**
 Vertical curved design supports structured visibility of food items in commercial kitchen and retail environments.
- Ventilated Cooling**
 Ventilated cooling system supports consistent temperature distribution within the 35.6°F to 50°F range.
- Mobile Structure**
 Four casters with two brakes support movement and positioning in commercial kitchen layouts.
- Adjustable Shelving**
 Three adjustable shelves support layered arrangement of bakery items, beverages, and packaged food.
- LED Front Lighting**
 LED lighting at front sides supports clear visibility of displayed food items in commercial counters.
- Certified Construction**
 cETLus Listed, ETL Sanitation Listed, and NSF Certified structure supports commercial food handling compliance requirements.

PRODUCT OVERVIEW

The ChillCore Series Refrigerated Display Case is a freestanding vertical curved unit designed for commercial kitchens, bakeries, cafés, and food retail environments. It operates on 115 V, 1 phase, 60 Hz with a 12.3 A electrical load and uses ventilated cooling for structured airflow across the display area in commercial food service settings.

The body is constructed using stainless steel and glass with a silver and black finish. It features double tempered glass and a vertical curved design measuring 28.2" (W) x 33.3" (D) x 59.4" (H), suitable for compact installation in food retail counters. The internal structure includes 3 adjustable shelves for layered food presentation.

Temperature is maintained between 35.6°F and 50°F using a digital temperature controller with display. The system includes automatic defrost and automatic condensate evaporation, along with a condenser positioned on the back side for refrigeration support in continuous operation.

This unit includes LED lighting at the front sides for product visibility and comes with a curtain for front coverage when required. It is equipped with 4 casters with 2 brakes for mobility and positioning. The display case is cETLus Listed, ETL Sanitation Listed, and NSF Certified and includes a 1-year warranty by the manufacturer.
