SPECIAL FEATURES

- ✓ **Ample Storage Capacity**
48 cubic feet provides substantial space for organized storage of ingredients and beverages in busy kitchens.
- ✓ **Precise Temperature Control**
Digital control panel maintains a temperature range of 32°F to 40°F for safe food storage.
- ✓ **Warranty Protection**
Includes 6-month parts and labor warranty plus 6-month compressor warranty.
- ✓ **Easy Mobility**
Six locking swivel casters provide both movement and stability.
- ✓ **Convenient Access**
Six Dutch half-doors allow quick reach to contents while helping reduce cold air loss.
- ✓ **Certified for Safety**
ETL Listed and ETL Sanitation certified for compliance with commercial standards.
- ✓ **Reliable Cooling System**
Top-mounted compressor with R290 refrigerant ensures consistent refrigeration.
- ✓ **Simple Installation**
Freestanding design with 115 V power and NEMA 5-15P plug type.

PRODUCT OVERVIEW

The Reach-In Refrigerator CERR72 from the CoolEdge Series is built for commercial kitchens requiring dependable, large-capacity cold storage. With a 48 cubic feet capacity and six solid swing Dutch half-doors, it provides organized access to perishable items.

The commercial refrigerator maintains a temperature range of 32°F to 40°F through a digital control panel. A top-mounted compressor uses R290 refrigerant for consistent cooling.

Inside, adjustable shelves support flexible storage layouts. Recessed handles enhance usability, while six locking swivel casters allow mobility and stability.

Measuring 72 in (W) x 27 in (D) x 76 in (H), this freestanding unit connects via a 6 ft cord with a NEMA 5-15P plug. Certified by ETL Listed and ETL Sanitation, the CERR72 meets commercial safety and hygiene standards. Warranty coverage includes 6 months parts & labor and 6 months compressor.
