 72 cu. ft. storage space accommodates bulk quantities of perishable goods.
- Enhanced Security**
 Three solid swing doors with keyed lock provide controlled access and added protection.
- Long-Lasting Use**
 Stainless steel interior and exterior deliver strength and long-lasting commercial performance.
- Easy Mobility**
 Casters allow effortless repositioning to meet changing kitchen layouts.
- Reliable Cooling Performance**
 Electric controls with R-290 refrigerant maintain precise temperatures between 33°F and 41°F.
- Flexible Storage Options**
 Nine adjustable PVC-coated wire shelves allow customized organization for different product sizes.
- Easy Installation**
 115V, 60 Hz single-phase operation with NEMA 5-15P plug enables quick setup.

PRODUCT OVERVIEW

The ChillCore Series CCRR81 Reach-In Refrigerator is a high-capacity commercial refrigeration unit designed for restaurants, hotels, and catering facilities. Built with a stainless steel interior and exterior, this heavy-duty refrigerator delivers strength and long-lasting performance. With a 72 cu. ft. capacity, it offers ample space for storing bulk perishable items.

The three solid swing doors with left/right hinge configuration and a keyed lock ensure secure and reliable access to stored goods. This commercial reach-in refrigerator is designed for freestanding installation and operates on 115V, 60 Hz, single-phase power. It comes equipped with a NEMA 5-15P plug for quick installation. It maintains temperatures between 33°F and 41°F, making it ideal for storing various items.

The cooling system uses R-290 refrigerant, while the electric control system offers precise temperature management. Inside, nine adjustable PVC-coated wire shelves allow flexible storage arrangements. The unit measures 80.9 in (W) x 32.25 in (D) x 82.5 in (H) and includes casters for mobility. This refrigerator is ETL Listed and ETL Sanitation Listed and backed by a 6-month warranty.
