Curved glass construction supports front display visibility for food items.

✓ **LED Interior Lighting**
LED lighting supports illuminated food presentation in display environments.

✓ **Warranty Coverage**
Includes a 1-year parts and labor warranty by the manufacturer.

PRODUCT OVERVIEW

The CoolEdge Series refrigerated display case is designed for cafés, bakeries, and commercial kitchen front-of-house food display applications. It is constructed from stainless steel with a silver exterior, black frame, and curved glass design. The unit measures 35" (L) x 22" (W) x 29.25" (H) and supports countertop installation for refrigerated merchandising.

This refrigerated display case features sliding rear doors with magnetic door gaskets for product access and storage organization. The interior is constructed from stainless steel and includes fixed shelves made from stainless steel and glass materials for food display presentation.

The unit includes LED lighting for illuminated product visibility in commercial kitchen and retail environments. Adjustable leveling legs support placement on countertop surfaces. It operates with a NEMA 5-15P plug connection for refrigerated display applications.

This unit is categorized as a refrigerated display case for countertop use. It includes a 1-year parts and labor warranty by the manufacturer.
