- Adjustable Shelving**
 Two coated wire shelves can be repositioned for flexible ingredient storage.
- Warranty Protection**
 Includes 6-month parts and labor and 6-month compressor warranty.

PRODUCT OVERVIEW

The CoolEdge Series CEST60 commercial sandwich and salad prep table is a freestanding unit with a stainless steel exterior and recessed handles. Measuring 60.12 in (W) x 31.5 in (D) x 43.62 in (H), it holds sixteen 1/6 size pans on the standard top and includes two adjustable coated wire shelves inside. The design features solid swing-style self-closing doors for product access.

A bottom-mounted 1/5 HP compressor with 280 W power uses R290 refrigerant to maintain a temperature range of 33°F to 41°F. The unit operates on 115 V, 60 Hz, single-phase power at 2.4 A through a NEMA 5-15P plug with a 9 ft power cord. Auto defrost is included to reduce manual upkeep, and the maximum ambient operating temperature is 100.4°F.

The prep table includes digital controls with an LED display for temperature management. The solid door design supports secure storage, while the standard top provides preparation space with direct pan access.

For mobility, the unit is equipped with four swivel casters, including locking casters for stability. Certified ETL Listed and ETL Sanitation, it complies with safety and sanitation standards. Warranty coverage includes 6 months parts and labor and 6 months compressor protection.
