SPECIAL FEATURES

- ✓ **Drop-In Design**
Drop-in installation supports countertop integration in commercial kitchens and bar stations.
- ✓ **Compact Footprint**
The 12" x 7" tray size fits beneath rinser faucets in space-conscious layouts.
- ✓ **Sanitation Certified**
ETL-Sanitation certification supports use in food handling environments.
- ✓ **Stainless Steel Build**
Stainless steel construction supports routine rinsing and cleaning tasks in foodservice areas.
- ✓ **Standard Drain Size**
The 1/2" drain size aligns with common commercial drainage connections.
- ✓ **Manufacturer Warranty**
It includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ChefPro Series drop-in rinser faucet drain tray is designed for commercial kitchens requiring controlled water drainage beneath rinser faucets. Constructed from stainless steel with a silver finish, it supports organized sink and bar station setups knowing routine rinsing occurs frequently.

This drop-in drain tray measures 12" (L) x 7" (W) x 3.5" (H), fitting into countertop cutouts used in commercial foodservice environments. The 7" depth supports water collection beneath faucet rinse areas.

The tray features a 1/2" tray flange and a 1/2" drain size, supporting standard drainage connections used in restaurant and beverage service stations. Its stainless steel construction aligns with routine food handling and cleaning needs.

An installation kit is included with 10 ft. clear vinyl tubing, five 4" ty-wraps, and two 1/2" plastic elbows to support setup. The tray is ETL-Sanitation certified and includes a 1-year warranty by the manufacturer.
