Compressor: 3 Years

SPECIAL FEATURES

- Eco-Friendly Cooling**
 Uses sustainable R-290 hydrocarbon refrigerant in self-contained refrigeration system for environmentally responsible temperature control between 33°F-39°F.
- Reliable Performance**
 Powered by 1/2 HP compressor with 220V single-phase operation, includes 6 ft power cord and NEMA 5-15P plug.
- Extended Warranty**
 Comprehensive coverage with 1-year warranty on entire unit and 3-year warranty on compressor components.
- Spacious Storage**
 Four shelves provide ample organization and display space for chilled merchandise.
- Freestanding Design**
 Versatile standalone unit requires no installation or built-in configuration.
- Professional Display Solution**
 Vertical open air merchandiser with black coated steel construction and sleek finish, perfect for retail and foodservice environments.
- Certified Quality**
 Meets ETL, CE, CB, and ISO standards for safety and performance, ensuring compliance with international quality benchmarks.
- Easy Mobility**
 Features 4-inch casters for convenient repositioning and movement throughout retail space.
- Compact Footprint**
 Efficient dimensions of 35.4"W x 32.5"D x 80.5"H maximize display space while minimizing floor space.
- High Visibility**
 Open air design ensures clear product viewing and easy customer access to merchandise.

PRODUCT OVERVIEW

This vertical open air merchandiser is built from sturdy black coated steel and comes in a sleek black finish, making it a clean and functional addition to any retail or foodservice environment. With a self-contained refrigeration system powered by eco-friendly R-290 hydrocarbon refrigerant, it maintains a consistent temperature range of 33°F to 39°F.

The unit operates on 220V, 60 Hz, single-phase power and is driven by a reliable 1/2 HP compressor. It includes a 6 ft power cord and uses a NEMA 5-15P plug. Designed for freestanding use, the unit includes four spacious shelves to organize and display chilled items. Mobility is easy with 4-inch casters, and its certified build meets ETL, CE, CB, and ISO standards, ensuring it meets key safety and performance benchmarks.

This merchandiser measures 35.4 in (W) x 32.5 in (D) x 80.5 in (H). It is backed by a 1-year warranty for the entire unit and a 3-year warranty on the compressor. Ideal for efficient, high-visibility refrigeration.
