SPECIAL FEATURES

- Curved Compact Build**
 Vertical curved structure supports installation in compact commercial kitchen and retail counter layouts.
- Ventilated Cooling**
 Ventilated cooling system supports consistent temperature distribution within the 35.6°F to 50°F range.
- Mobility Features**
 Four casters with two adjustable feet support movement, positioning, and leveling in commercial layouts.
- Adjustable Storage**
 Three adjustable shelves support structured placement of bakery items, beverages, and packaged food.
- LED Side Lighting**
 LED lighting at front sides supports clear visibility of displayed food items in retail environments.
- Certified Standards**
 cETLus Listed, ETL Sanitation Listed, and NSF Certified construction supports commercial food handling requirements.

PRODUCT OVERVIEW

The ChillCore Series Refrigerated Display Case is a freestanding vertical curved unit designed for commercial kitchens, bakeries, cafés, and food retail environments. It operates on 115 V, 1 phase, 60 Hz with a 12.3 A electrical load and uses ventilated cooling to support uniform airflow within the refrigerated display area for food presentation.

The structure is built using stainless steel and glass with a silver finish and double tempered glass panels. It features a compact vertical curved design measuring 28.1" (W) x 31.1" (D) x 58.8" (H), suitable for installation in space-conscious commercial service counters. The interior layout includes 3 adjustable shelves for structured display of food items.

Temperature is maintained between 35.6°F and 50°F through a digital temperature controller with display. The unit includes automatic defrost and automatic condensate evaporation, along with a condenser positioned on the back side for refrigeration management during continuous operation.

This refrigerated display case includes LED lighting at the front sides for product visibility and comes with a curtain for front coverage. It is supported by 4 casters and 2 adjustable feet for mobility and leveling. The unit is cETLus Listed, ETL Sanitation Listed, and NSF Certified and includes a 1-year warranty by the manufacturer.
