SPECIAL FEATURES

- ✓ **Open Display**
The horizontal open-air design supports grab-and-go refrigerated food display in commercial kitchen and retail environments.
- ✓ **Adjustable Shelf**
One adjustable two-step stainless steel shelf supports organized merchandising of refrigerated food and beverages.
- ✓ **Energy Features**
Automatic defrost, R-290 refrigerant, and CFC-free foamed-in-place polyurethane insulation support refrigerated operation.
- ✓ **Digital Control**
The digital thermostat maintains a temperature range of 30.2°F to 44.6°F for refrigerated food storage.
- ✓ **Mobile Design**
Four casters support movement and placement within commercial kitchen and retail spaces.
- ✓ **Certified Build**
cETLus, ETL Sanitation, and NSF certifications are included. It includes a 1-year parts & labor warranty and 5-year compressor warranty by the manufacturer.

PRODUCT OVERVIEW

Platinum ProKitchen Series Grab and Go Low Profile Open Air Merchandiser is a commercial refrigerated display merchandiser designed for convenience stores, cafés, supermarkets, and commercial kitchen food display areas. It features a 7.5 cubic feet capacity with a horizontal open-air design for refrigerated grab-and-go items.

The unit measures 35.4" (L) x 33.2" (W) x 46" (H) and supports freestanding installation. The black metal exterior complements retail display areas, while the stainless steel interior measures 23.3" deep, 32.3" wide, and 17.9" high. One adjustable two-step stainless steel shelf provides organized product presentation.

It operates on 110 volts, 12 amperes, 1050 watts, 60 Hz, and a 0.5 HP refrigeration system. The digital thermostat maintains a temperature range of 30.2°F to 44.6°F using R-290 refrigerant. Automatic defrost and CFC-free foamed-in-place polyurethane insulation support refrigerated food display.

The merchandiser includes LED illumination, a night curtain, and horizontal air curtain refrigeration for refrigerated merchandising. Four casters support mobility, while the NEMA 5-20P plug includes a 92-inch power cord for installation flexibility. It includes a 1-year parts & labor warranty and 5-year compressor warranty by the manufacturer.
