PRODUCT OVERVIEW

The ChillCore Series CCST27 Sandwich and Salad Prep Table is a commercial refrigeration solution designed for hotel kitchens, restaurants, and catering operations. Built with a 304 stainless steel interior and metal exterior in a sleek silver finish, it offers long-lasting strength. This freestanding prep table offers a 7.2 cu. ft. capacity with a standard top design that holds six 1/6-size pans and two 1/9-size pans.

Equipped with a solid, right-hinged swing door and adjustable PVC-coated wire shelf, the unit provides flexible storage. The digital control system maintains a precise temperature range of 33°F to 40°F, supported by an R-290 refrigerant system with a 2.47 oz. capacity. The auto defrost function reduces maintenance. Operating on a 115V, 60 Hz, 1-phase electrical system with a NEMA 5-15P plug, it requires just 2.4 amps.

The unit measures 27.6" (W) x 30.1" (D) x 43.3" (H), offering compact yet spacious storage. It comes with four heavy-duty casters, two with brakes, allowing easy mobility and stable placement. The hinged lid design provides quick ingredient access during busy prep hours.

Certified ETL Listed, ETL Sanitation Listed, and NSF Listed, this commercial prep table meets strict safety and hygiene standards. Backed by a 6-month warranty, this unit offers reliability.
