- Oven Safe Construction**
 Oven-safe design supports cooking, reheating, and food holding tasks in foodservice operations.
- Durable Stainless Steel**
 Constructed from 0.8 mm thick stainless steel with a polished non-stick finish and backed by a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ServeCraft Series Hotel Pans are designed for restaurants, hotels, catering services, cafeterias, dining halls, and banquet operations requiring food preparation, storage, and serving solutions. This 1/6 size set is constructed from stainless steel with a polished silver finish and a 2.7 qt capacity per pan. Each pan measures 7" (W) x 6.5" (D) x 6" (H).

This pack includes 6 hotel pans and 6 matching lids for organized food handling in commercial kitchens. The stainless steel construction features a non-stick polished finish and 0.8 mm thickness. The included lids support covered storage and transportation of ingredients and prepared foods.

The pans are suitable for stovetop applications and are oven safe for food preparation and heating tasks. Their 1/6 size format supports ingredient organization and food holding in restaurants, catering operations, and buffet service environments. The stainless steel design is suitable for daily foodservice use.

This ServeCraft Series hotel pan set is dishwasher safe for routine cleaning and maintenance. The pack contains 6 complete sets consisting of 6 hotel pans and 6 lids. It includes a 1-year warranty by the manufacturer for commercial foodservice applications.
