1 Year Limited Warranty

SPECIAL FEATURES

- ✓ **High Storage Capacity**
The shelving kit supports a total capacity of 1,800 lbs, with each shelf rated for 450 lbs for storing kitchen supplies and foodservice items.
- ✓ **Vented Wire Shelves**
Steel wire shelves with a vented style support airflow around stored items in kitchens, warehouses, and walk-in cooler environments.
- ✓ **Included Installation Hardware**
The shelving kit includes 16 pairs of split sleeves and a foot for shelf installation and unit stability.
- ✓ **Adjustable Shelving Design**
Four 74-inch stationary posts with a 1-inch diameter allow shelf positioning adjustments for organizing storage in commercial kitchen spaces.
- ✓ **Epoxy-Coated Construction**
Epoxy-coated steel with a green finish supports storage use in dry environments, moist environments, and commercial kitchen storage areas.
- ✓ **Certified Foodservice Storage**
The shelving unit is NSF Certified for foodservice environments and includes a 1-year limited warranty by the manufacturer.

PRODUCT OVERVIEW

The ChefPro Series Shelving Kit is designed for storage use in commercial kitchen environments, including restaurants, warehouses, janitorial closets, and walk-in coolers. The unit features epoxy-coated steel construction with a green finish, supporting organized storage for foodservice supplies and kitchen equipment.

This shelving kit includes four steel wire shelves with a vented design that supports airflow around stored items. Each shelf supports up to 450 lbs, with a total capacity of 1,800 lbs for the shelving unit. The steel wire shelf material with epoxy finish supports use in dry environments, kitchens, and moist environments.

The shelving unit measures 60" (L) x 24" (W) x 74" (H). It includes four 74-inch stationary posts with a 1-inch diameter that allow adjustable shelf positioning for organizing containers, ingredients, and kitchen tools in commercial storage areas.

This adjustable stationary shelving kit requires assembly and operates without casters. It includes 16 pairs of split sleeves for shelf adjustment and a foot for stability. The shelving system is NSF Certified and includes a 1-year limited warranty by the manufacturer.
