PRODUCT OVERVIEW

The ChillCore Series Merchandiser Refrigerator is designed for display and storage in commercial kitchen and retail environments. The unit features black coated metal construction with a black finish, supporting durability and placement in service areas. It offers a capacity of 72 cb3 with a three-section design for organized storage.

This merchandiser refrigerator includes 3 sliding glass doors for product visibility and access. It is equipped with 12 shelves, supporting storage arrangement for food and beverages. The bottom-mounted compressor supports system placement and accessibility.

It operates on 110 V and includes a digital temperature control system. The unit maintains a temperature range of 33°F to 41°F for refrigerated storage. The freestanding design supports installation in commercial kitchen and retail layouts.

The refrigerator measures 72" (W) x standard depth x 80" (H) and includes 4 casters for movement and positioning. It includes a 1-year warranty by the manufacturer for standard operational coverage.
