PRODUCT OVERVIEW

The ProKitchen Series Sneeze Guard is designed for commercial kitchens, buffet counters, cafeterias, and self-service food display applications. It features a 4-sided food protection canopy style with clear glass panels and stainless steel posts. The unit measures 48" (L) x 29.5" (W) x 16" (H) and is constructed with a stainless steel frame for installation over refrigerated self-service buffet tables and cold food tables.

The ProKitchen Series Sneeze Guard is built with clear glass and stainless steel post support for open food display environments. The design includes no doors or lighting, maintaining an unobstructed serving format. It is suitable for placement over commercial buffet counters and cold food service stations in foodservice operations.

The ProKitchen Series Sneeze Guard features a canopy structure that provides 4-sided food protection for displayed food items. The easy-to-clean glass surfaces and stainless steel frame support routine maintenance in commercial kitchen and cafeteria environments. The unit supports continuous visibility of food items during service.

The ProKitchen Series Sneeze Guard is cETLus Listed and ETL Sanitation Listed for foodservice compliance. It includes a stainless steel frame with glass panels and a 1-year warranty by the manufacturer. The unit is designed for compatibility with refrigerated self-service buffet tables and cold food tables in commercial kitchen setups.
