- ✓ **Rectangular Layout**
Rectangular shape with clear glass panels supports visibility of displayed food items.
- ✓ **Certified Warranty**
cETLus Listed and ETL Sanitation Listed certifications with a 1-year warranty by the manufacturer covering parts and labor.

PRODUCT OVERVIEW

The ChillCore Series Display Dry Case is a countertop display unit designed for bakeries, cafés, and foodservice operators in a commercial kitchen. Constructed with powder-coated metal and glass in a black and clear finish, it supports structured food display and handling. The rectangular shape provides a clean layout suitable for front counter presentation.

With a capacity of 4.2 cb3, this dry (non-refrigerated) display case is intended for ambient storage of baked goods and snacks. It includes 1 glass shelf that allows organized placement of items during service. The tempered glass construction supports durability while maintaining visibility of displayed food items.

The unit features a sliding door style with 2 back glass doors, allowing access from the service side. The door access type supports loading and serving workflows in a restaurant or café setup. This configuration aligns with standard food handling practices in a commercial kitchen.

This countertop unit measures 36.2" (W) x 15.6" (D) x 15" (H), making it suitable for wider counter spaces. It has a product weight of 57.3 lb, supporting stable placement during use. The unit is cETLus Listed and ETL Sanitation Listed, indicating compliance with commercial standards. It includes a 1-year warranty by the manufacturer covering parts and labor.
