## PRODUCT OVERVIEW

The ProKitchen Series Wall Mounted Shelf with Pot Rack is a commercial kitchen storage unit designed for restaurants, hotels, and food preparation areas. It is used for storing cookware, utensils, and ingredients in wall-mounted storage configurations within commercial kitchen environments.

The unit is constructed using stainless steel material with a silver finish and 18 gauge thickness. It features a rolled front edge design that supports structured handling and installation in commercial kitchen storage systems.

This wall mounted shelf has dimensions of 72" (L) x 14" (W) x 12" (H) with a product weight of 21 lb. It supports a top shelf capacity of 395 lb, suitable for storing cookware and kitchen supplies in organized storage layouts.

It includes waterproof construction, no sharp edges and burr-free finishing, and predrilled screw holes for mounting. Support brackets and 6 removable double pronged hooks are included. The unit is NSF Certified and includes a 1-year warranty by the manufacturer.
