 Includes a condensing unit and evaporator mounted on top for consistent cooling and freezing in walk in freezer units.
- Warranty Coverage**
 10-year panel, 1-year door parts, 2-year compressor and parts, and 1-year labor on the refrigeration unit provide structured coverage for restaurant operations.
- Durable Construction**
 24-gauge white galvanized steel panels provide long-lasting durability in restaurant and commercial kitchen environments.
- Controlled Access Doors**
 Solid swing doors with keyed locks, self-closing hinges, and flush-mounted design support secure food storage in commercial kitchens.
- Certified Compliance**
 UL Listed (US), NSF Listed, and DOE certified for compliance with commercial kitchen standards.

PRODUCT OVERVIEW

The PolarBox Series Commercial Walk-In Cooler and Freezer combo is designed for commercial kitchens, restaurants, and foodservice operations that require both chilled and frozen storage in a single unit. It is constructed with 24-gauge white galvanized steel, providing durability for daily use in a commercial kitchen. The modular cam-lock, tongue-and-groove panel design allows for secure assembly of the sections.

The unit measures 15 ft (L) x 5 ft (W) x 7 ft (H), with a 10 ft cooler section and a 5 ft freezer section. Solid swing doors with a height of 77 in, keyed locks, and self-closing hinges provide controlled access, while freezer doors include heating wire and a pressure relief vent. The insulation is 4 inches of polyurethane, offering thermal resistance rated R-28 for the cooler and R-33 for the freezer.

The top-mounted refrigeration system includes a condensing unit and evaporator, operating on 208/230 V, 60 Hz, single-phase power, using R-448A refrigerant. The unit is suitable for indoor and outdoor installation and includes a reinforced floor.

Certified Compliance and Warranty for Walk in Freezer Units

It is CFC and HFC free and holds certifications including UL Listed (US), NSF Listed, and DOE. This walk in freezer units configuration provides both refrigerated and frozen storage in one footprint and includes a 10-year panel warranty, 1-year door parts warranty, 2-year compressor and parts warranty, and 1-year labor on the refrigeration unit.
