### SPECIAL FEATURES

- Capacity**  
 The 13.8 cubic foot interior provides ample refrigerated storage for ingredients and prepped components across a full service shift.
- Self-Closing Doors**  
 Two self-closing doors with a 90-degree stay-open feature allow hands-free access during loading without requiring staff to hold the door open.
- ETL Certified**  
 ETL Listed and ETL Sanitation Listed certifications confirm the unit meets established safety and sanitation standards recognized in the restaurant and food service industry.
- 12-Pan Top Rail**  
 The standard top accommodates up to 12 pans in 1/6-size configuration, supporting efficient sandwich and salad assembly at the prep line.
- EC Fan Motor**  
 The EC fan motor stops operating when the door is open, reducing unnecessary energy draw during ingredient access in a commercial kitchen setting.
- Mobile with Brakes**  
 Four heavy-duty casters with brakes allow the unit to be repositioned as needed while remaining securely locked in place during operation.

# PRODUCT OVERVIEW

The Frigomax Series 48-inch Sandwich and Salad Prep Table is a freestanding refrigerated prep unit suited for sandwich lines, salad stations, and cold ingredient assembly in commercial kitchens and restaurants.

Built from stainless steel with a silver finish, this prep table measures 30"L x 48¼"W x 42½"H, offering 13.8 cu. ft. of interior capacity. The standard top holds up to 12 pans in 1/6-size configuration, while two epoxy-coated adjustable shelves provide organized storage below. Two self-closing doors with a 90° stay-open feature allow hands-free loading during busy service.

Temperature is maintained at 33°F–41°F, keeping refrigerated ingredients within safe holding ranges. Electronic controls offer straightforward management, while the 1/5 HP EC fan motor draws 1.7A at 115V/60Hz single-phase via a NEMA 5-15P plug. The evaporation fan auto-stops when the door opens, reducing energy use. Cutting boards and additional pans are available separately.

Four heavy-duty casters with brakes support mobility and stable positioning on the kitchen floor, making it straightforward to reposition the unit during cleaning or layout changes. The Frigomax Series Sandwich and Salad Prep Table is ETL Listed and ETL Sanitation Listed, confirming it meets recognized safety and sanitation standards for commercial kitchen use. A 1-year warranty is included with each unit.
