### WARRANTY

90 Days Limited  
Warranty

## SPECIAL FEATURES

- ✓ **Three Compartments**  
Three separate bowls support washing, rinsing, and sanitizing activities in restaurant and commercial kitchen food handling areas.
- ✓ **304 Stainless Steel**  
304 stainless steel construction is commonly used in commercial kitchen equipment and foodservice workstations.
- ✓ **NSF Certified**  
NSF Certification indicates the sink meets NSF standards applicable to commercial kitchen and foodservice equipment.
- ✓ **Dual Drainboards**  
Two drainboards with a 12" drainboard length provide additional space for handling cookware, utensils, and kitchen items.
- ✓ **Adjustable Feet**  
Adjustable bullet feet allow the sink position to be modified according to floor conditions within a restaurant or food preparation area.
- ✓ **Warranty Coverage**  
It includes a 90-day limited warranty by the manufacturer.

## PRODUCT OVERVIEW

The ChefPro Series 3-Compartment Sink is designed for restaurants, catering operations, and other commercial kitchen food handling areas. Constructed from 304 stainless steel with a silver finish, it features three compartments for washing, rinsing, and sanitizing tasks. The sink includes rolled edges and rounded corners for a smooth working surface.

This commercial sink measures 70" (L) x 21.5" (W) x 43.75" (H). It features three bowls, each measuring 14" left to right, 16" front to back, and 12" deep. The unit also includes two drainboards with a 12" drainboard length, providing additional workspace for kitchen operations.

The sink is manufactured with 16-gauge stainless steel construction and includes galvanized steel legs for structural support. Adjustable bullet feet allow height adjustment on various floor surfaces. An 8" faucet center configuration is provided, along with a 3 1/2" drain basket size and a 1 1/2" IPS drain connection.

This 3-compartment sink includes a backsplash to help contain splashes in commercial kitchen environments. It is NSF Certified and suitable for foodservice applications requiring certified equipment. The unit includes a 90-day limited warranty by the manufacturer.
