1 Year Warranty

SPECIAL FEATURES

- ✓ **Stainless Steel Construction**
Made from 430 stainless steel with an 18-gauge design suitable for commercial kitchen food handling environments.

✓ **Pre-Drilled Installation**
The pre-drilled design supports installation on compatible commercial kitchen equipment.

✓ **Moisture-Resistant Design**
Water-proof and anti-corrosion features are included for commercial kitchen environments with regular cleaning procedures.
- ✓ **Broad Compatibility**
Compatible with undercounter coolers, freezers, worktables, and enclosed cabinets used in restaurant and foodservice operations.

✓ **Removable Mounting**
The removable and bolt-on installation type allows attachment and removal based on equipment requirements.

✓ **Certified Use**
NSF Listed certification is included for commercial kitchen applications, and it includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ProKitchen Series Removable Backsplash is designed for restaurants, foodservice facilities, and commercial kitchen work areas. Constructed from 430 stainless steel with a silver finish, it measures 47.2" (L) x 1" (W) x 5" (H). The backsplash features 18-gauge stainless steel construction suitable for commercial kitchen applications.

This removable backsplash is compatible with undercounter coolers, freezers, worktables, and enclosed cabinets. Its design supports use with a variety of commercial kitchen equipment used for food preparation, storage, and service operations.

The unit features a removable and bolt-on installation type with a pre-drilled design. The installation format supports attachment to compatible equipment while allowing removal when adjustments or maintenance are required.

Anti-corrosion and water-proof features are included for commercial kitchen environments exposed to moisture and routine cleaning. The backsplash is NSF Listed and includes a 1-year warranty by the manufacturer.
