PRODUCT OVERVIEW

The CEPT44 commercial pizza prep table from CoolEdge series is a 1-door stainless steel unit ideal for commercial kitchens and food prep areas needing organized ingredient storage. Measuring 44 in (W) x 31.5 in (D) x 43.88 in (H), it holds six 1/3 size pans on the top and includes one adjustable coated wire shelf inside. Solid swing-style doors with recessed handles provide secure access to stored ingredients.

A bottom-mounted 1/7 HP compressor uses R290 refrigerant to maintain a temperature range of 33°F to 41°F. The unit operates on 115 V, 60 Hz, single-phase power through a NEMA 5-15P plug with a 6 ft power cord. Auto defrost reduces manual upkeep.

Digital controls with an LED display allow accurate temperature management. The solid door supports secure storage, while the top provides preparation space with direct pan access.

The pizza prep table includes four 5 in swivel casters with locks for mobility and stable placement. Certified ETL Listed and ETL Sanitation, it meets commercial safety and sanitation standards. Warranty coverage includes 6 months parts and labor and 6 months compressor protection.
