PRODUCT OVERVIEW

The ChillCore Series CCSPT48 sandwich cooler small is designed for commercial kitchens that need efficient cold storage and easy access during food preparation. Built with durable stainless steel, it ensures hygiene and long-lasting performance for daily heavy use. With overall dimensions of 48 (W) x 30 (D) x 44 (H) inches, this compact prep table offers a spacious yet efficient work solution.

Featuring a 13 cu. ft. capacity, it accommodates up to 12 pans of 1/6 size for organized storage of ingredients. Two solid swing doors, hinged left and right, and two internal shelves provide flexible and structured access to stored items. Auto defrost functionality simplifies maintenance, while digital temperature control delivers precise cooling for consistent storage conditions.

The unit includes a 48-inch-wide, 10-inch-deep cutting board for integrated prep convenience. Four swivel casters, including two with brakes, ensure smooth mobility and stable positioning when needed.

Operating on 115 V / 60 Hz with R-290 hydrocarbon refrigerant, it is energy-efficient and fully compliant with ETL Listed, ETL Sanitation Listed, and DOE Certified standards. Backed by a 1-year warranty, this sandwich cooler small is an ideal choice for reliable, compact food preparation.
