WARRANTY

2 Years Parts & Labor

SPECIAL FEATURES

- ✓ **Dual Burner Output**
Two cast iron burners deliver a combined 50,000 BTU/hr, supporting boiling and stovetop cooking tasks in commercial kitchens, food trucks, and hotel restaurants.
- ✓ **Cast Iron Grates**
12 x 12 inch cast iron grates support stable cookware placement for boiling and cooking applications.
- ✓ **Service Features**
A standby pilot system, detachable plate, and bottom crumb tray support routine operation and cleaning tasks.
- ✓ **Independent Heat Control**
Independent burner controls with zinc alloy chrome-coated knobs allow separate adjustment for each burner during food handling.
- ✓ **Countertop Installation**
Countertop installation with adjustable heavy-duty stainless steel legs supports placement on work surfaces in commercial kitchens.
- ✓ **Certified and Covered**
ETL sanitation listing, cETLus listing, and NSF approval align with commercial kitchen requirements, and it includes a 2-year parts and labor warranty by the manufacturer.

PRODUCT OVERVIEW

The Platinum Flame Series gas boiling top is a countertop cooking unit designed for commercial kitchens, hotel restaurants, food trucks, and outdoor festival operations. It operates on gas power and supports boiling and stovetop cooking tasks using a compact footprint suitable for limited counter space.

This unit features two octagon-shaped cast iron burners delivering a total of 50,000 BTU/hr, with each burner rated at 25,000 BTU/hr. Independent burner controls with zinc alloy chrome-coated knobs allow separate heat adjustment during food handling.

Constructed from stainless steel and galvanized steel in a silver finish, the boiling top is built for countertop installation. It measures 11.8" (W) x 27.2" (D) x 13.4" (H) and includes adjustable heavy-duty stainless steel legs for stable placement.

Additional features include a standby pilot system, a bottom crumb tray, and a detachable plate to support cleaning routines. The unit uses cast iron grates sized at 12 x 12 inches, is ETL sanitation listed, cETLus listed, NSF approved, and includes a 2-year parts and labor warranty by the manufacturer.
