SPECIAL FEATURES

- ✓ Ample Storage**
 13 cubic feet capacity holds up to 208 bottles or 308 12 oz. cans, providing flexible beverage organization.

✓ Easy Access
 Two solid sliding lids allow quick reach to contents while maintaining cold temperatures.

✓ Efficient Cooling
 Maintains 33°F to 40°F with a 3/7 HP compressor using R290 refrigerant.

✓ Stable Design
 Freestanding design without casters keeps the cooler steady in busy environments.

✓ Warranty Protection
 1-year parts and labor and 1-year compressor coverage ensures reliable operation.
- ✓ Durable Construction**
 Vinyl-coated steel exterior with a black finish and stainless steel top, interior walls, floor, and ceiling provide durability and resistance to daily commercial wear.

✓ Secure Locking
 Keyed lock restricts access to protect stored beverages.

✓ Organized Storage
 Includes removable bottle cap opener, cap catcher, and adjustable dividers for orderly beverage arrangement.

✓ Certified Compliance
 ETL Listed and ETL Sanitation certified for commercial foodservice standards.

PRODUCT OVERVIEW

The IceVault Series IVBC49 Bottle Cooler is designed for bars, restaurants, and catering setups. With a 13 cubic feet capacity, it stores up to 208 bottles or 308 cans of 12 oz., providing flexible beverage management. Built with an aluminum interior and black vinyl-coated steel exterior, this beverage cooler offers durability and easy cleaning.

The two solid sliding lids include a keyed lock for secure access and come with a removable bottle cap opener, cap catcher, and adjustable dividers to organize contents efficiently. Measuring 49.5 (W) x 28 (D) x 34.2 (H) inches, this commercial freestanding cooler operates with a 3/7 HP compressor using R290 refrigerant to maintain temperatures between 33°F and 40°F. It runs on 115 V, 1 phase, 60 Hz, and 2.5 A with a NEMA 5-15P plug for standard electrical connections.

The stainless steel lids provide durability during repeated use, and the sliding design allows convenient access to stored beverages. Designed without casters for stationary placement, it remains stable in busy environments.

Certified ETL Listed and ETL Sanitation Listed, it meets commercial foodservice standards. It includes a 1-year parts and labor warranty and a 1-year compressor warranty, supporting consistent operation in daily use.
