SPECIAL FEATURES

- ✓ **Deep Freeze Storage**
-7°F to 0°F temperature range supports frozen storage for commercial kitchen operations.
- ✓ **Adjustable Storage System**
Rail-based shelving with 4 adjustable shelves supports flexible storage layouts.
- ✓ **Certified Construction**
cETLus Listed and ETL Sanitation Listed with compliance to UL & NSF standards.
- ✓ **Digital Temperature Control**
Digital system maintains consistent freezing conditions for food preservation workflows.
- ✓ **Bottom-Mounted Compressor**
3/8 HP bottom-mounted compressor supports accessible maintenance and efficient layout use.
- ✓ **Mobile Configuration**
4 casters with brake arrangement support movement within commercial kitchen spaces.

PRODUCT OVERVIEW

The ProKitchen Series Reach-In Freezer is designed for commercial kitchen frozen storage and food preservation applications. Constructed in painted steel with gray, white side panels, and a black front finish, the unit measures 30.7" (W) x 30.8" (D) x 74" (H). It operates on a 110V electric power supply with 4.6A current, 168W wattage, and a 5.83 ft power cord fitted with a NEMA 5-15P plug.

This reach-in freezer provides 18 cu ft capacity with a single solid swing door featuring a field-reversible design and stainless steel handle. The interior is built with HIPS (High Impact Polystyrene) lining and LED lighting for improved visibility during frozen food storage operations.

The unit maintains a temperature range of -7°F to 0°F using a digital temperature control system. It includes a bottom-mounted 3/8 HP compressor using R-290 refrigerant and automatic defrost functionality for consistent frozen storage conditions.

Interior storage configuration includes 4 adjustable shelves plus 1 half-size bottom shelf with a rail-based adjustable shelving system. Shelves are PVC-coated steel, allowing flexible positioning for organized storage. The unit features a removable snap-in gasket, door lock for controlled access, and 4 casters (2 with brakes, 2 without). It is cETLus Listed, ETL Sanitation Listed, compliant with UL & NSF standards, and includes a 1-year parts and labor warranty.
