### WARRANTY

**10-Year Panel, 1-Year Door Parts, 2-Year Compressor & Parts, 1-Year Labor on Refrigeration Unit**

## SPECIAL FEATURES

- Top Mounted System**  
 The top mounted refrigeration design supports refrigerated storage layouts in commercial kitchen environments.
- Solid Swing Door**  
 The solid swing door includes self-closing and flush-mounted features for restaurant refrigeration access.
- Galvanized Steel Construction**  
 The white galvanized steel construction with 24-gauge panels is suited for walk-in cooler installations.
- Indoor/Outdoor Application**  
 The walk-in cooler is specified for indoor and outdoor commercial foodservice installations.
- Certified Cooler**  
 UL Listed US, NSF Listed, and DOE certifications are included for commercial refrigeration applications.
- Polyurethane Insulation**  
 The polyurethane insulation with 4" thickness and R-28 thermal resistance supports temperature-controlled food storage.
- Keyed Door Lock**  
 The keyed lock supports controlled access in commercial food handling and storage areas.
- Included Refrigeration**  
 The unit includes a condensing unit and evaporator with top mounted refrigeration configuration.
- Modular Assembly Design**  
 The modular cam-lock and tongue & groove system supports panel connection during installation.
- Warranty Coverage**  
 It includes a 10-year panel warranty, 1-year door parts warranty, 2-year compressor & parts warranty, and 1-year labor warranty on the refrigeration unit by the manufacturer.

## PRODUCT OVERVIEW

The PolarBox Series walk-in cooler is designed for commercial kitchen and restaurant refrigerated storage applications. It features white galvanized steel construction with 24-gauge panels and polyurethane insulation. The unit measures 138" (W) x 335" (D) x 87" (H) with 4" insulation thickness and R-28 thermal resistance for refrigerated storage environments.

The PolarBox Series walk-in cooler includes a top mounted refrigeration system with R-448A refrigerant. The unit operates on 208/230 V, 1 phase electrical service at 60 Hz with a hardwired connection. A condensing unit and evaporator are included for commercial refrigeration installation and operation.

The PolarBox Series walk-in cooler features one solid swing door with a 77" door height, keyed lock, self-closing function, and flush-mounted design. The modular cam-lock and tongue & groove hinge system supports panel assembly. The unit includes a standard galvanized steel floor for indoor or outdoor commercial foodservice applications.

The PolarBox Series walk-in cooler is proudly made in America and carries UL Listed US, NSF Listed, and DOE certifications. This 12 ft nominal width and 28 ft nominal depth cooler includes a 10-year panel warranty, 1-year door parts warranty, 2-year compressor & parts warranty, and 1-year labor warranty on the refrigeration unit by the manufacturer.
