1 Year Warranty

SPECIAL FEATURES

✓ **Stainless Construction**

The stainless steel exterior and interior surfaces support durability and straightforward cleaning in a commercial kitchen setting.

✓ **Electronic Temperature Control**

An electronic control system maintains a holding range of 33°F to 41°F, keeping refrigerated ingredients within safe food-handling temperatures.

✓ **ETL Certified**

ETL Listed and ETL Sanitation Listed certifications confirm the unit meets recognized commercial kitchen electrical safety and sanitation requirements.

✓ **Marine Edge Top**

The marine edge top style features a raised perimeter that helps contain spills and keeps pans or equipment stable on the work surface.

✓ **Mobile with Locking**

Four heavy-duty casters with brakes allow the unit to be moved across kitchen floors and locked firmly in position once placed.

✓ **1-Year Warranty Coverage**

This chef base is backed by a 1-year warranty, providing defined coverage for commercial kitchen operations.

PRODUCT OVERVIEW

The Frigomax Series Chef Base Refrigerator is a 2-drawer undercounter refrigeration unit designed for high-demand commercial kitchen and restaurant environments where prep space and cold storage need to work together at the cook line.

Built from stainless steel on both the exterior and interior, this chef base measures 32 15/16" (L) x 52 3/4" (W) x 26 15/16" (H) and holds 11.7 cubic feet of refrigerated storage capacity, accommodating up to 3 full-size food pans. The marine edge top style creates a raised perimeter that helps contain spills and keeps cookware stable during active service.

Temperature is maintained between 33°F and 41°F through an electronic control system powered by a 1/5 HP compressor drawing 2.7 amperes at 115V/60Hz on a single-phase NEMA 5-15P circuit. Access is through two drawer bays fitted with heavy-duty pull handles, making it straightforward for kitchen staff to retrieve ingredients without stepping away from the line. Four heavy-duty casters with brakes allow the unit to be repositioned on the floor and locked in place once positioned.

This freestanding chef base carries ETL Listed and ETL Sanitation Listed certifications, confirming compliance with recognized commercial kitchen safety and sanitation standards. It is covered by a 1-year warranty.
