Operates on 115V, 60Hz, single-phase power, drawing 6.3 amps at 275 watts with a NEMA 5-15P plug for flexible installation.
- ✓

Warranty Protection
Includes a 6-month manufacturer warranty.

PRODUCT OVERVIEW

The ChillCore Series CCUF36 Undercounter Freezer provides 8.3 cubic feet of commercial frozen storage, ideal for restaurants, cafes, and other foodservice operations.

It features two solid swing doors with left/right hinges, magnetic gaskets, and a 90° stay-open function for easy and secure access. The interior includes two adjustable PVC-coated wire shelves, allowing organized and flexible storage of frozen goods.

Electronic controls maintain temperatures from -8°F to 0°F, while auto-defrost reduces ice buildup and maintenance requirements. This freezer operates with R-290 refrigerant (3.17 oz) and a 1/5 HP compressor, providing reliable and efficient cooling. It runs on 115V, 60Hz, single-phase power, drawing 6.3 amps at 275 watts, and comes with a NEMA 5-15P plug for standard commercial installation.

This commercial undercounter freezer is constructed from stainless steel with a silver finish for durability and a professional appearance. Four casters allow easy mobility while maintaining stable placement in any kitchen environment. For safety and compliance, this freezer is ETL Listed and ETL Sanitation Listed. It has overall dimensions of 36.2 in (W) × 29.5 in (D) × 35.2 in (H) and comes with a 6-month manufacturer warranty.
