SPECIAL FEATURES

- Compact Width Design**
36-inch width structure supports installation in compact commercial kitchen and retail floor layouts.
- Adjustable Display**
Four frosted glass adjustable shelves support structured food display in cafés, bakeries, and food service counters.
- Digital Temperature Control**
Digital temperature controller with display supports monitoring within a 35.6°F to 50°F temperature range.
- Ventilated Airflow**
Ventilated cooling with hot air flow from the front and both sides supports consistent temperature distribution inside the cabinet.
- LED Shelf Lighting**
Top and under-shelf LED lighting supports visibility across multiple display levels in commercial environments.
- Certified Construction**
cETLus Listed, ETL Sanitation Listed, and NSF Certified structure supports compliance requirements in commercial food handling environments.

PRODUCT OVERVIEW

The ChillCore Series Vertical Merchandiser is a freestanding refrigerated display unit designed for commercial kitchens, cafés, bakeries, and food retail environments. It operates on 115 V, 1 phase, 60 Hz with a 14 A electrical load and supports ventilated cooling with hot air flow from the front and two sides for balanced air distribution across the cabinet.

The structure is built with powder coated steel and tempered glass on two sides, with an interior finished in mirror stainless steel 304. It includes 4 adjustable frosted glass shelves designed for layered product display, supported by LED lighting at the top and under each shelf for visibility in low-light service areas.

The unit maintains a temperature range of 35.6°F to 50°F through a digital temperature controller with display. It features automatic defrost and automatic condensate evaporation, along with a bottom-mounted compressor that supports refrigeration operation in continuous commercial use.

This rectangular vertical merchandiser measures 36" (W) x 29" (D) x 79.9" (H). It includes 4 casters with 2 brakes for movement and positioning in service layouts. The unit comes with a front curtain and carries cETLus Listed, ETL Sanitation Listed, and NSF Certified compliance. It includes a 1-year warranty by the manufacturer.
