1 Year Warranty

SPECIAL FEATURES

- ✓ Clear Full View**
 The straight glass front paired with glass shelves gives customers an unobstructed view of all displayed bakery and refrigerated items, supporting purchasing decisions at the counter.
- ✓ Standard Circuit Ready**
 Operating at 110V, 60 Hz, and 6.2 amperes, the display case connects to a standard commercial kitchen electrical outlet without requiring dedicated high-voltage wiring.
- ✓ Recognized Safety Certifications**
 ETL Listed, ETL Sanitation Listed, and DOE 2017 Compliant ratings confirm this unit meets established safety, sanitation, and energy efficiency standards for commercial kitchen use.
- ✓ Dual-Purpose Display**
 With a 32 to 41 degree Fahrenheit temperature range and a 20.4 cubic foot interior, this serve-over counter handles both chilled and ambient bakery items in a single freestanding unit.
- ✓ Low-GWP Refrigerant**
 The R-290 refrigerant is a low global warming potential choice that aligns with current environmental regulations in commercial food retail and foodservice settings.
- ✓ Included Warranty Coverage**
 Each unit ships with a 1-year warranty, giving restaurant and bakery operators a defined period of manufacturer support after purchase.

PRODUCT OVERVIEW

The Frigomax Series 62" dry and refrigerated bakery display case is a freestanding serve-over counter unit designed for bakeries, cafes, delis, and restaurants that need to present both ambient and chilled items at the point of sale.

The cabinet holds 20.4 cubic feet of display space and maintains a temperature range of 32 to 41 degrees Fahrenheit, keeping refrigerated pastries, cakes, sandwiches, and prepared foods at safe serving temperatures throughout the day. The straight glass front and glass shelves give customers and staff a clear, unobstructed view of all displayed items from multiple angles.

LED lighting illuminates the interior evenly, drawing attention to displayed goods without adding significant heat to the cabinet. Running on 110V at 60 Hz, the unit draws 6.2 amperes and operates at 500 watts, making it compatible with standard commercial kitchen electrical circuits. At 62.2 inches wide, 37.0 inches deep, and 47.2 inches tall, the footprint suits counter-line or floor placement in retail and foodservice environments.

This unit is ETL Listed, ETL Sanitation Listed, and DOE 2017 Compliant, meeting recognized commercial food equipment safety and energy standards. The R-290 refrigerant used in this display case is a low-GWP option aligned with current environmental regulations. A 1-year warranty is included with each unit.
