**WARRANTY**  
1 Year Warranty

### SPECIAL FEATURES

- Open-Access Display**  
 The vertical air curtain design allows shoppers and staff to reach products without handling doors, supporting faster service in busy commercial kitchen or retail settings.
- Precise Temperature Control**  
 A 30°F to 45°F operating range covers dairy, deli, beverages, and prepared foods, giving operators consistent cold-holding across a variety of perishable categories.
- ETL Safety Certified**  
 ETL Listed and ETL Sanitation Listed certifications confirm the unit meets recognized electrical safety and food-contact sanitation standards required in commercial food handling operations.
- Wide Display Footprint**  
 At 59.8" wide and 42.2 cu ft of capacity, this unit holds a large volume of perishable stock, reducing how often staff need to restock during peak hours.
- R290 Refrigerant**  
 The R290 refrigerant system is DOE Compliant, aligning the unit with current energy efficiency regulations for commercial refrigeration equipment.
- 1-Year Warranty Included**  
 The unit is backed by a 1-year warranty, providing a defined period of coverage for restaurants and retailers after purchase.

## PRODUCT OVERVIEW

The Frigomax Series Vertical Air Curtain Merchandiser is a freestanding open multideck unit designed for retail and commercial kitchen environments where accessible, high-visibility cold storage is a priority including grocery stores, delis, convenience stores, and restaurant service lines.

Built in the American Style Open Multideck configuration, this unit measures 31.5" (L) x 59.8" (W) x 78.7" (H) and delivers 42.2 cubic feet of refrigerated display capacity. The open-front air curtain cooling design allows customers and staff to access products without opening doors, maintaining a temperature range of 30°F to 45°F suitable for beverages, dairy, deli items, and prepared foods.

The unit operates on 110V / 60Hz power, drawing 28 amperes at 1,650 watts, and uses R290 refrigerant a low global-warming-potential refrigerant that supports DOE compliance requirements. Adjustable leg levelers accommodate uneven flooring common in high-traffic commercial spaces. The black finish integrates cleanly into modern retail or food service display layouts.

This merchandiser carries ETL Listed and ETL Sanitation Listed certifications, confirming it meets recognized safety and sanitation standards for commercial food handling environments. It is sold individually and backed by a 1-year warranty.
