WARRANTY

1 Year Parts & Labor

SPECIAL FEATURES

- ✓ **High Heat Output**
Four burners provide 30,000 BTU each, supporting high-temperature cooking in commercial kitchen environments.
- ✓ **LP Conversion Ready**
Liquid propane operation includes an LP conversion kit for commercial kitchen gas configuration requirements.
- ✓ **Mobile Structure**
Four casters with brake and non-brake configuration support movement within commercial kitchen layouts.
- ✓ **Integrated Oven System**
Single standard oven with 33,000 BTU output supports baking and roasting operations in restaurant kitchens.
- ✓ **Cast Iron Grates**
12" x 12" cast iron grates support cookware placement during heavy-duty cooking tasks.
- ✓ **Certified Construction**
CSA Certified, cCSAus Listed, and CSA Sanitation Listed with a 1-year parts & labor warranty.

PRODUCT OVERVIEW

The ProKitchen Series Gas Range with Oven is designed for restaurants, catering operations, and commercial kitchen cooking stations. Constructed in stainless steel with a freestanding installation type, the unit measures 24" (W) x 32" (D) x 60.7" (H). The design supports commercial kitchen cooking using liquid propane gas with an included LP conversion kit.

This gas range includes 4 burners with 30,000 BTU output per burner, supporting high-heat cooking in commercial kitchen environments. Cast iron grates sized 12" x 12" are provided for cookware placement during cooking operations.

The unit features 1 standard oven with 33,000 BTU output. The oven interior measures 20.1" (W) x 22.4" (D) x 13.8" (H) and includes porcelain-coated bottom and side guides. The oven temperature range is 200°F to 500°F with manual control and static oven operation.

The construction includes a welded frame, cool-to-the-touch front stainless steel deck, stainless steel back riser with lift-off shelf, aeration bowl, and full-width pull-out crumb tray. The unit is supported by 4 casters (2 with brakes and 2 without brakes). It features a standing pilot light and rear flue ventilation system. The gas inlet size is 3/4". The unit is CSA Certified, cCSAus Listed, CSA Sanitation Listed, and includes a 1-year parts & labor warranty.
