SPECIAL FEATURES

- ✓ **Curved Display Design**
Curved glass structure supports bakery and pastry product visibility in commercial kitchen display setups.

✓ **LED Lighting**
Brilliant internal LED lighting supports product visibility inside the display case.

✓ **Mobility Casters**
Four casters with braking support movement and placement flexibility in bakery layouts.
- ✓ **Large Capacity**
21.2 cubic feet capacity supports organized display of baked goods in retail food service environments.

✓ **Digital Controls**
Digital control system with independent switch supports temperature management.

✓ **Warranty Coverage**
It includes a 1-year parts & labor warranty and 5-year compressor warranty by the manufacturer.

PRODUCT OVERVIEW

The ProKitchen Series Refrigerated Bakery Display Case is designed for bakeries, cafés, pastry shops, and commercial kitchen display merchandising. It features a stainless steel and glass construction with a curved glass display design and a 4-sided glass structure. The unit operates on a 110–120V, 1 phase electrical supply.

The display case provides a total capacity of 21.2 cubic feet and includes 2 sliding rear glass doors for access. It is equipped with brilliant internal LED lighting and a digital control system with independent switch operation. The refrigeration system uses R-290 refrigerant with a self-contained, ventilated cooling setup.

The unit is mounted on 4 casters (2 with brakes, 2 without brakes) for mobility in commercial kitchen and bakery floor layouts. It features a curved glass display design with stainless steel and glass construction and supports adjustable shelving with 2 shelves for product arrangement. The interior supports organized bakery product display in service environments.

The ProKitchen Display Case measures 72.5" (L) x 27.1" (W) x 47.6" (H) and includes a bottom-mounted compressor system. It operates with a 4.9-amp electrical load and 440W power usage, supported by a 3/5 HP refrigeration system. The unit is cETLus Listed, ETL Sanitation Listed, and certified to NSF standards. It includes a 1-year parts & labor warranty and 5-year compressor warranty by the manufacturer.
