PRODUCT OVERVIEW

The ProKitchen Series 62" Dual Temperature Open Air Island Merchandiser is designed for supermarkets, cafés, and commercial kitchen food display areas requiring combined refrigeration and freezer storage. It features a 7.4 cubic feet capacity with a horizontal island air curtain design for dual-temperature food merchandising. The black coated steel exterior supports structured commercial display layouts.

The unit includes stainless steel bumper guards and two leveling feet for positioning stability. The island configuration supports organized access to refrigerated and frozen items, suitable for commercial kitchen and retail food service environments.

This freestanding merchandiser operates on 110 volts, 60 hertz, and 1 phase electrical supply. It uses R-290 refrigerant with a self-contained refrigeration system and digital controls. The refrigerator section operates at 33°F to 42°F, while the freezer section operates at -8°F to 0°F. The system includes (2) 1 horsepower compressors for dual-temperature performance.

The unit includes four low-profile casters and a 70-inch power cord with NEMA 5-30P plug. Overall dimensions are 62.2" (L) x 41.2" (W) x 35.8" (H), with an interior size of 51.2" (W) x 29.2" (D) x 8" (H). It includes a 1-year parts and labor warranty and a 5-year compressor warranty by the manufacturer. The merchandiser is certified by cETLus, ETL Sanitation, and NSF.
