SPECIAL FEATURES

- ✓ Generous Capacity**
 28 cubic feet of storage with room for 3 kegs supports high-volume beverage service.
- ✓ Secure Doors**
 Three solid swing doors with a self-closing feature help retain cold air.
- ✓ Controlled Access**
 Keyed lock restricts entry, keeping stored kegs and beverages safe.
- ✓ Bright Interior**
 LED lighting enhances visibility for quick access to contents.
- ✓ Efficient Dispensing**
 Two beer towers provide convenient direct-pour service for high-demand environments.
- ✓ Durable Build**
 Vinyl-coated steel exterior with a black finish and stainless steel top, interior walls, floor, and ceiling provide durability and resistance to daily commercial wear.
- ✓ Precise Cooling**
 1/2 HP compressor with R290 refrigerant maintains a consistent 33°F to 40°F range.
- ✓ Flexible Shelving**
 Six PVC-coated adjustable shelves allow customized organization for different storage needs.
- ✓ Smooth Mobility**
 Four heavy-duty casters with brakes allow easy movement and stable placement during service.
- ✓ Safety Certified**
 ETL Listed and ETL Sanitation certified for commercial reliability and compliance.

PRODUCT OVERVIEW

The IceVault Series IVBD90 Direct Draw Beer Dispenser is designed for bars, restaurants, and catering setups. With a 28 cubic feet capacity and space for 3 kegs, it offers generous beverage storage. Built with a stainless steel interior and black vinyl-coated steel exterior, it provides durability with a clean, sleek finish. Three solid swing doors feature a self-closing mechanism to help maintain temperatures, while a keyed lock adds secure access to stored contents.

Measuring 90.4" (W) x 27.8" (D) x 35.6" (H), this freestanding unit includes two beer towers for direct dispensing. Its 1/2 HP compressor uses R290 refrigerant to maintain a 33°F to 40°F temperature range. Operating at 115 V, 1 phase, 60 Hz, and 4.1 A with a NEMA 5-15P plug, it fits standard commercial electrical setups. Six adjustable PVC-coated shelves allow flexible organization, while interior LED lighting improves visibility for easy access.

Heavy-duty casters with brakes enable smooth movement and stable placement during service. Certified ETL Listed and ETL Sanitation Listed, this portable kegerator meets foodservice safety and sanitation standards. It comes with a 1-year parts and labor warranty and a 1-year compressor warranty, supporting consistent daily use in demanding commercial environments.
