WARRANTY

10-Year Panel, 1-Year Door Parts, 2-Year Compressor & Parts, 1-Year Labor on Refrigeration Unit

SPECIAL FEATURES

- Galvanized Steel Build**
 White galvanized steel panels with 24-gauge construction support commercial kitchen freezer storage.
- Thick Insulation**
 The 4" polyurethane insulation includes an R-28 thermal resistance rating for frozen food holding areas.
- Flush Door Style**
 The flush-mounted solid door includes self-closing operation for restaurant food handling access.
- Indoor Outdoor Installation**
 This walk-in freezer is rated for indoor and outdoor commercial kitchen environments.
- Certified Construction**
 UL Listed US, NSF Listed, and DOE certifications are included for commercial food handling operations.
- Top Mounted System**
 The top mounted refrigeration system includes a condensing unit and evaporator for organized installation.
- Modular Panel Design**
 The modular cam-lock and tongue-and-groove construction supports walk-in freezer assembly.
- Pressure Relief Feature**
 The heating wire and pressure relief vent are included for freezer door operation.
- Secure Door Access**
 The keyed lock supports controlled access in foodservice storage applications.
- Warranty Coverage**
 It includes a 10-year panel warranty, 1-year door parts warranty, 2-year compressor and parts warranty, and 1-year labor warranty on the refrigeration unit by the manufacturer.

PRODUCT OVERVIEW

The PolarBox Series walk-in freezer is designed for commercial kitchen, restaurant, and frozen food storage applications. It features white galvanized steel construction with 24-gauge panels and a standard galvanized steel floor. The unit measures 138" (L) x 256" (W) x 91" (H) and is suitable for indoor and outdoor installation.

The PolarBox Series walk-in freezer includes top mounted refrigeration with a condensing unit and evaporator. The refrigeration system operates on 208/230 V, 1 phase, 60 Hz electrical power and uses R-448A refrigerant. A hardwired electrical connection is included for commercial foodservice installation requirements.

This walk-in freezer features 4" thick polyurethane insulation with CFC and HFC free material and an R-28 thermal resistance rating. The modular cam-lock and tongue-and-groove design supports panel assembly for commercial freezer storage areas.

The PolarBox Series walk-in freezer includes one self-closing flush-mounted solid door with a keyed lock, heating wire, and pressure relief vent. The unit is UL Listed US, NSF Listed, and DOE certified. It includes a 10-year panel warranty, 1-year door parts warranty, 2-year compressor and parts warranty, and 1-year labor warranty on the refrigeration unit.
