# PRODUCT OVERVIEW

The RollnServe Series Compact Hot Dog Cart / Mobile Food Cart is designed for mobile food service, catering, events, and commercial kitchen outreach. It is made in America and uses 304 stainless steel, a uni-body painted steel frame, aluminum flooring, and a jet-cut brushed exterior finish.

The cart measures 48" (L) x 40.5" (W) x 57.25" (H), with a 35-inch working height. It has a listed 20–16 GA construction, two burners, and propane power with a 20 lb concealed propane tank compartment.

One burner is located under the 15-inch flat-top griddle, while one burner is located under the steam table. The griddle has a 3/8-inch plate size and a listed burner input of 12000 BTU. One steam table holds six food pans, and the cold condiment tray holds two 1/6 poly pans inside the cooler.

The cart includes 2.75 cu. ft. refrigerated storage, 8.5 cu. ft. dry storage, a stainless steel sink, and a self-contained pressurized hot and cold water system with a 3-gallon fresh water tank, 6-gallon grey water tank, thermo-coil hot water line, and quick-drain ball valve. It also features a 12V battery with charger, towable design with safety components, and a 1-year manufacturer warranty.
