Single solid swing door with self-closing hinges and 90° stay-open feature for smooth workflow.
- ✓ **Extra Workspace**
Mega Top provides additional prep space for sandwiches and salads.

PRODUCT OVERVIEW

The IceVault Series IVMST27 Sandwich and Salad Prep Table is a commercial prep table designed for restaurants, hotels, and catering operations. It offers 7 cubic feet of storage capacity and accommodates 12 × 1/6-size pans, providing compact and efficient refrigerated storage. Built with a stainless steel interior and stainless steel/aluminum exterior in silver, the unit comes with a single solid door for secure refrigerated access.

It operates on 115 V, 60 Hz, 3.6 A, 1-phase power with a NEMA 5-15P plug. A 3/7 HP compressor and an R290 refrigerant maintain a temperature range of 33°F to 40°F. The door features a self-closing mechanism with a 90° stay-open function for easy service, and the interior includes one adjustable PVC-coated shelf for flexible storage. The mega top provides additional workspace for sandwich and salad preparation.

Certified ETL Listed and ETL Sanitation Listed, the table meets commercial kitchen standards. With dimensions of 27.5 in (W) x 34 in (D) x 45.1 in (H), this freestanding unit is mounted on four heavy-duty casters with brakes for mobility and secure placement. This sandwich prep station for sale includes a 1-year parts and labor warranty and a 1-year compressor warranty.
