SPECIAL FEATURES

- ✓ **Strong Capacity**
8 cu ft provides ample space for frozen food merchandising, making this merchandiser freezer ideal for busy commercial environments.
- ✓ **Clear Display**
Glass swing door allows customers to view products easily, perfect for a commercial glass door freezer setup.
- ✓ **Bright Visibility**
LED lighting enhances product identification for staff and customers during stocking and retrieval.
- ✓ **User-Friendly Controls**
Electronic control system simplifies temperature adjustments.
- ✓ **Energy Compatibility**
Runs on 115 V, 4.2 A, 60 Hz single-phase power for standard commercial outlets.
- ✓ **Durable Exterior**
Aluminum back with black finish supports long-term commercial use while maintaining a professional appearance.
- ✓ **Organized Storage**
Two adjustable PVC-coated shelves allow flexible arrangement for various frozen items.
- ✓ **Efficient Cooling**
R-290 refrigerant combined with a 1/2 HP system maintains stable low temperatures for consistent freezing.
- ✓ **Self-Closing Door**
Self-closing swing door minimizes temperature loss and supports busy commercial service.
- ✓ **Warranty Support**
Includes a 1-year parts and labor warranty and a 1-year compressor warranty for manufacturer-backed support.

PRODUCT OVERVIEW

The IceVault Series IVMF278C Merchandiser Freezer with 8 cu ft capacity is designed for commercial foodservice, retail, cafés, and restaurants. Its black finish with an aluminum back exterior provides a durable, professional look. The single glass swing door offers clear product visibility, making it a reliable commercial glass door freezer for front-of-house display and self-service areas.

Compact yet efficient, this freezer measures 27" (W) x 26" (D) x 56" (H), making it ideal for tight aisles or front-display zones. Two adjustable PVC-coated shelves provide organized storage for varied frozen products, while LED lighting enhances visibility for staff and customers. A keyed lock adds security, and the right-hinged swing door with self-closing mechanism helps maintain consistent temperatures during busy periods.

Powered by a 1/2 HP system using R-290 refrigerant, the unit operates on 115 V, 60 Hz, 1-phase power with a 4.2 A draw. Electronic controls maintain a stable temperature range of -7°F to 0°F, and the auto-defrost system ensures consistent performance. This **merchandiser freezer** is freestanding for flexible placement without built-in requirements.

Certified ETL Sanitation Listed and cETLus, it includes a 1-year parts and labor warranty plus a 1-year compressor warranty, making it a dependable choice for commercial frozen food display and storage.
