PRODUCT OVERVIEW

The ChefPro Series Economic Shelf is a wall-mounted stainless steel shelf designed for commercial kitchens, including restaurants, cafes, and catering operations. It provides fixed storage to organize cookware, ingredients, or supplies efficiently.

Constructed from 20-gauge stainless steel in a silver finish, the shelf supports daily food handling and cleaning routines in busy commercial kitchen environments. It is ETL Listed, meeting safety standards for commercial use.

The unit includes one stainless steel shelf with a load capacity of 300 lbs, supported by five brackets and necessary hardware for installation. It accommodates heavy kitchen tools, containers, or ingredients.

It measures 84" (W) x 12" (D) x 11" (H) and uses a wall-mounted installation type to keep workspace clear. It includes a 1-year warranty by the manufacturer.
