PRODUCT OVERVIEW

The ChillCore Series CCRF1S27 is a commercial reach-in freezer designed for reliable preservation of frozen goods in kitchens and food service operations. With a 19.32 cu. ft. capacity and single-section layout, this food storage freezer provides organized storage and easy access for bulk frozen products.

Constructed from durable stainless steel, this freezer features one solid swing door with a magnetic gasket and self-closing mechanism to maintain consistent temperatures. Four adjustable shelves allow flexible storage arrangements to accommodate various product sizes.

Powered by a bottom-mounted compressor with R-290 refrigerant, the unit operates on 110 V, 60 Hz, delivering 299 W of efficient performance. The freezer maintains temperatures from -13°F to 5°F through digital controls and includes an auto-defrost system to prevent ice buildup effortlessly.

Additional features include LED interior lighting for clear visibility, a keyed lock for secure storage, and energy-efficient operation. Measuring 31.5 in (W) × 27 in (D) × 83 in (H), this freestanding reach-in freezer fits compact commercial kitchens and comes with four casters for easy mobility. Certified by ETL and DOE, the unit offers a 1-year warranty, ensuring reliable, long-term operation.
