1 Year Warranty

SPECIAL FEATURES

- Wide Display Run**
 At 101.6 inches wide with a 2.35-meter display face, this merchandiser provides a long, uninterrupted product display area for high-volume retail or commercial kitchen service.
- Low-GWP Refrigerant**
 R-290 refrigerant is a natural, low-global-warming-potential option that supports current environmental compliance requirements in commercial food retail settings.
- Stable Freestanding Setup**
 Adjustable leg levelers allow the merchandiser to be positioned securely on uneven floors without anchoring, giving operators flexibility in floor plan arrangements.
- Large Cold Capacity**
 The 43.0 cu ft interior holds a substantial quantity of chilled items between restocks, reducing replenishment frequency during busy service hours.
- Energy and Safety Certified**
 ETL Listed, ETL Sanitation Listed, and DOE 2017 Compliant certifications confirm this unit meets recognized safety, sanitation, and energy efficiency standards for commercial use.
- Covered by Warranty**
 This merchandiser includes a 1-year warranty, providing a defined period of coverage after purchase for commercial kitchen and retail operators.

PRODUCT OVERVIEW

The Frigomax Series Open Multideck Air Curtain Merchandiser is a horizontal, straight-configuration display unit designed for supermarkets, convenience stores, delis, and other commercial kitchen or retail food environments that require open refrigerated display without a door barrier.

With a 43.0 cubic foot interior and a footprint measuring 35.6" (D) x 101.6" (W) x 59.1" (H), this freestanding merchandiser offers substantial display capacity on a wide, straight floor plan. The unit operates on 110V/60Hz power and draws 32.5 amperes, with rated wattage of 1890/1500 watts depending on operating mode.

Ventilated cooling with R-290 refrigerant maintains a temperature range of 30.2 to 44.6 degrees Fahrenheit, suitable for chilled beverages, dairy, deli items, and similar perishables. R-290 is a low-GWP natural refrigerant, aligning the unit with current environmental standards. LED lighting illuminates displayed items throughout the 2.35-meter display run, and adjustable leg levelers allow for stable installation on uneven floors.

The unit carries ETL Listed, ETL Sanitation Listed, and DOE 2017 Compliant certifications, meeting recognized safety, sanitation, and energy efficiency requirements. A 1-year warranty is included with purchase.
