- ✓ **Air Circulation**  
Vented shelf style helps maintain airflow around stored items in dry environments.
- ✓ **Warranty Coverage**  
The unit includes a 1-year warranty by the manufacturer for added support.

## PRODUCT OVERVIEW

The ChefPro Series CPCS18x60 shelving kit is ideal for restaurants, stockrooms, retail setups, and commercial kitchens needing organized storage. It has a 1500 qt capacity suitable for bulk food handling and equipment organization. The unit is made from metal wire with a chrome finish in a silver color, offering stability for front-of-house and dry-environment use. It includes five shelves that help arrange supplies efficiently.

Measuring 60" (L) x 18" (W) x 72" (H), this shelving kit fits spaces that require vertical storage without occupying excessive floor area. The adjustable, stationary, and vented style supports airflow around stored items for kitchens and dry storage rooms. The unit features NSF Listed certification suitable for foodservice environments that require recognized safety compliance. It includes a 1-year warranty by the manufacturer for added support.
