WARRANTY

1 Year Limited Warranty

SPECIAL FEATURES

- **Polyurethane Wheel**
  Polyurethane material forms the wheel surface for rolling on commercial kitchen flooring.
- **Normal Caster Type**
  Specified as a normal caster for standard movement of sandwich, salad, and pizza prep tables.
- **Prep Table Usage**
  Listed for sandwich, salad, and pizza prep tables in restaurant and food handling areas.
- **Steel Frame**
  Zinc-plated steel construction provides structural support for prep table equipment.
- **2.5-Inch Size**
  2.5 in caster size defines the wheel diameter for compatible installation and servicing.
- **Limited Warranty**
  Includes a 1-year limited warranty by the manufacturer for documented coverage.

PRODUCT OVERVIEW

The Medal Equipment caster is designed for sandwich, salad, and pizza prep tables used in commercial kitchen environments such as restaurants, cafés, and food preparation stations. It is classified as a caster and functions as a mobility component for supporting and repositioning compatible prep table equipment. The design aligns with routine movement during cleaning and workflow adjustments.

This caster is constructed from polyurethane and zinc-plated steel, combining a resilient wheel surface with a reinforced metal structure. The polyurethane material aligns with smooth rolling across common kitchen floors, while the zinc-plated steel frame provides rigid support. The material combination matches standard hardware used on commercial kitchen prep tables.

The unit is specified as a normal caster type, indicating a standard rolling configuration without an integrated brake. It features a 2.5 in caster size, defining the wheel diameter for installation and replacement reference. The stated size supports compatibility with sandwich, salad, and pizza prep table bases used in food handling areas.

Manufactured by Medal Equipment, this caster is supplied as a single unit for direct installation on designated equipment. It serves as a replacement or fitting part for compatible prep tables in commercial kitchens. It includes a 1-year limited warranty by the manufacturer, providing stated coverage for the specified service period.
